

April 18, 1978

time is going to be needed to stay here. If this is the case, I would like to know now if we are going to be here until 10:00, 9:00, 8:00, it is imperative that I know and know that several other members of the Legislature have had that same concern.

SENATOR SAVAGE: Will the Speaker respond to this question. Senator Luedtke.

SPEAKER LUEDTKE: Mr. President, the only thing that I can tell you is that we will be here until all of those bills are Engrossed for Final Reading. I can't tell you any more when that will be that the man in the moon right now. It obviously will be before midnight. Now, it has got to be before midnight. We will have it....the machine has been down temporarily and we hope that it will come back, perhaps in an hour we will have it done. It could be done as early as an hour from now. But, we don't know. If we are experiencing difficulty an hour from now, after 5:00 we can recess until such time that it looks like that machine will get us out of here at 9:00 tonight or something like that. At that time, we will have to recess until then.

SENATOR SAVAGE: Does that answer your question Senator Venditte? The Clerk will proceed with reading LB 763 on Final Reading.

CLERK: Begins reading LB 763.

SENATOR SAVAGE: Pardon me, Senator Murphy, did you wish to be recognized?

SENATOR MURPHY: Only to forward the suggestion of Senator Koch that we all might join in a little sing-along if we wait.

SENATOR SAVAGE: Will the Clerk continue, without comment.

CLERK: Begins reading LB 763.

SENATOR SAVAGE: Senator Stoney.

SENATOR STONEY: Mr. President, I don't find LB 763 in my book.

SENATOR SAVAGE: You have got a little book there too.

SENATOR STONEY: I know, but I...unless it jumps out of sequence, it should be in the large book. Does everyone else have one?

SENATOR SAVAGE: Everyone has two books.

SENATOR STONEY: Okay, thank you.

SENATOR SAVAGE: Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman, I would like to ask Senator Luedtke a question. Senator Luedtke since we are here and we may not have other things to do, could I put forth the effort to revive my high speed chase bill?
